

Reflecting on the uncertainty of the previous year, again the SPPHAWA committee would still be faced with the adversity of the effects of Covid and how it would impact the event. Our contingent of Eastern States judges were keen as a fresh race horse at the starting gates to accept the invitation to come and judge our Off The Track horses of both codes and the speciality ring featuring the Partbred Thoroughbreds. With Covid active cases sitting around the 60,000 mark and other equine events struggling with number entries, we were delighted when we received almost the same number of entries over the three rings as in 2021.

The picturesque settings at the Perth Polo Grounds, adorned with our trademark eye to detail setup, certainly made a big impression as the judges were chauffeured towards the entry gates and onto the grounds. Amazing, Brilliant, Outstanding, So Professional, Best I've Seen were the words randomly and frequently used over the course of the day by our visiting judges. Hopefully, next year we can strike a deal with Mother Nature to give us a full day of fine weather.

The Standardbred Led and Ridden ring was presided by Jane Clifford from Queensland for the morning proceedings of the Dual Code program. Due to the wonderful support within the Harness industry, every Champion, R/Up and 2nd R/Up received stunning sashes, prize money or a voucher for their winnings.

This year's major awards, ironically would produce the same result as last year with President Hoylake making it back-to-back victories when taking out the WASBA Supreme Dual Code Led and Supreme Dual Code Ridden awards for owner and rider Kerryn Davey. Newcomer to the show ring Zarak, gave Kylah Madden a dream ride to upstage some more experienced competition when put up for the Supreme Elementary Ridden Standardbred. Not to be outdone, Tims Portrait and Alex Markowski were rewarded yet again for their precise and picture-perfect presentation when winning Best Presented Standardbred and then winning the votes by all three judges to claim successive Best Presented Exhibit of the day from all three rings. Congratulations to Tim and Alex!

A huge thank you, to WASBA our major awards standardbred sponsor for the Dual Code program along with the overwhelming response from OTTWA, The Trots WA, Trainers, Drivers and Reins persons who all contributed to give this event a prestigious rating we were thriving for.

Please head over to the Other Events Album to see the results and photos from the Thoroughbred & Ultimate Partbred Rings that were held as part of this event and for the sponsors that were able to make it happen.

RESULTS

STANDARDTBRED LED

Best Presented

Champion -Tims Portrait (A Markowski)
