

The picturesque scenery of the Wallangarra Pony Club grounds along with near perfect weather conditions provided an ideal competition for the competitors competing over the three disciplines for the 2019 State Championships. It was decided to revert back to a one day format for the event this year due to unable to secure grounds for the two days and also to entice those members who didn't want to compete over the two days to enter.

The Led section of the program kicked off the day's proceedings with near on forty horses competing in the various classes before judge Kim Cox who had travelled from Queensland for the event. Not only was she overwhelmed with the presentation of both horse and handlers but was equally impressed with the quality of her Champions and stated the Supreme Exhibit (Mynameskenny) was a very exceptional type that displayed lovely traits for the breed.

The Ridden classes had the three levels on offer with the Elementary and Intermediate sections again proving very popular. The judge commenting that this is really pleasing to see these horses begin their journey as ridden horses and have the opportunity to progress to a higher level further on in their education. The Elementary Champion (Black Pontiac) showed a lovely relaxed workout to take the win for the walk trot section. The Intermediate classes had the Champion (President Hoylake) display his usual impeccable manners and lovely gaits to wow the judge for the Champion title.

The Open ridden only had the two horses competing but both were a delight to watch go through their paces throughout the classes. The Open winner (AP Burlesque) displayed more polished gaits and transitions over her lesser experienced Intermediate opponent to secure her third State Ridden title.

The Harness classes rounded off a busy day of judging with three horses up for the State Champion title. Classes ran through very quickly with the outright winner being the big gelding (Soho Silverstone) showing his versatility by competing in all disciplines in the one day.

On recapping the event judge Kim Cox commented the event was of a very high standard, well run with the quality of horses equal to any she had judged along with both organisers and competitors providing a lovely atmosphere to judge.
