**Goandcullect & Amy Kennedy**  
**Reserve Prelim Champion**  
**Tims Portrait & Alex Markowski**

# DRESSAGE STATE CHAMPIONSHIPS

## WRITE UP

With the great response and feedback at the previous seasons Season Opener dressage event, it was decided that we would go bigger and better this year and make this event the Standardbred Dressage State Championships. This event was the first of the new 23/24 season but was once again combined along with an Awards Luncheon & AGM to celebrate our members for the previous 12 months.

With larger cash prizes on offer this year thanks to our sponsors Off The Track WA & Morrone Painting, it was great to see so many Standardbred competitors & a Partbred competitor attend. We also received a handful of new horse & rider combinations which was very encouraging to see and there were some great tests ridden across the morning.

Tests were run across 2 arenas and were finished just after 11am, allowing for ample time for pack up and to prepare for the Awards Luncheon to follow. With a buffet of food on offer and a beautifully setup club room, many were eager to dig in and get the next part of the day underway.

The SPPHAWA committee would like to thank everyone for attending and supporting not only this event, but also our Awards Luncheon afterwards. Events cannot be run without the additional help of competitors, members and family who continually offer their help in the setup, pack up and general running.

Congratulations to our award winners for the 2022 – 2023 season and we hope to see you back for this next season showcasing your wonderful horses and aiming for those End Of Year Awards on offer.
