

MATCHY MATCHY WALK TROT ENCOURAGEMENT DAY RESULTS

15th October 2022

Judges: Bayley Thomas, Paula McGregor, Shush Kingham & Tracey Garth

The annual Matchy Matchy Encouragement Day was run once again at the Magenup Equestrian Centre on October 15th. There was a slight change to the program this year with it being a Walk Trot day only. This was to allow the small committee ample opportunity to find sufficient help but to also encourage our members and outside riders with walk trot horses to get them out, gain confidence and exposure without the time constraints with an afternoon ring.

In the planning stages we would have not expected the turnout that we received. With 90 entries coming in and 15 of those being our little lead rein riders, we were blown away with the support. It was also very encouraging that 18 horse and rider combinations in attendance were competing in the standardbred ring. We received many lovely comments from other riders and spectators on the comradery in all the rings between riders and the relaxing and friendly atmosphere of the event.

Our judges, Bayley Thomas, Paula McGregor, Tracey Garth & Shush Kingham did a marvellous job in encouraging all the riders, offering feedback and giving all competitors their attention and time in their workouts.

Our pencilers, most of who were our own members who volunteered their time to support the association and this event, we thank you. Events cannot be run without the volunteers and helpers that stepped in to help throughout the day.

Photo credit to Eric Lloyd Photography & Kelly Thomas Productions who were on grounds all day to take the memorable photos that can be viewed in the attached gallery.
