

After months of deliberation and planning the new concept of the Dual Code Show platform finally arrived with the setting of the Wallangarra Pony Club grounds playing host over the two-day competition for both OTT codes. It was a bold move by the committee to reintroduce our previous HOTY event that had been reintroduced in 2017 after being in hiatus since 2010 due to not being financially viable to run as a stand-alone event for just Standardbreds.

Victorian judge Clint Bilson was engaged to officiate on the Saturday for the Standardbreds and Sunday for the Thoroughbreds. It was a big call by the committee that certainly paid off as the Sunday Thoroughbred numbers certainly made the event worthy of bringing a judge over from the Eastern States.

After judging the Thoroughbreds on the Sunday, the committee had the opportunity to join the judge for a meal before his flight home where he congratulated on a wonderful concept of joining the two codes and providing an event of this nature.

RESULTS

THOROUGHBRED LED

Champion Best Presented - Carona Park Victory
Reserve Champion Best Presented - Walk On Friar
