

HYGAIN UNOFFICIAL SHOWCASE

7TH NOVEMBER 2021

The recent Hygain Unofficial Showcase hosted by SPPHAWA was run at the Kings Meadows Polo grounds in Guildford in near perfect conditions.

Our aim was to provide a platform for Unofficial horses of WA to experience an outing and gain show ring exposure before, in some instances, taking the next step into a Canter ring, Official ring or simply attending their very first show. There was a lot to like and enjoy with ample classes to compete in, generous cash prizes, Hygain feed vouchers, stunning broad sashes and beautiful garlands and rosettes on offer throughout the program.

Provided on the program were Lead Line, Walk Trot and Walk Trot Canter rings to cater for all breeds and levels of education of both horses and riders. Champion Sashes were also awarded in both categories for Newcomers, Adult Riders and Pony Club members.

SPPHAWA also utilised the opportunity to run a condensed Led Standardbred section before the ridden rings to enable members to gain points for end of year awards. They then joined the format of the Showcase for the ridden classes occupying a ring each for Walk/Trot and the other for Intermediate and Open graded canter horses along with the programmed Show Horse and Hunter classes.

With well over 70 entries throughout the 6 rings, individual sections with ample classes for Show Hunters and Show Horses representing Ponies, Galloways and Hacks with individual sections in each Walk/Trot and Walk/Trot Canter ring also provided a well-received twist to the program from the competitors.

All Champions of each Show Horse and Show Hunter section came together to compete for Grand Champion of each section and level. The Walk/Trot Grand Champion Show Horse and Hunter and likewise for the Walk/Trot/Canter Grand Champions then competed for the Ultimate Supreme Ridden Exhibits of the show.

The SPPHAWA committee wishes to thank everyone for supporting the event and especially the positive and lovely comments about the running of the event. We look forward to making this an annual event on our calendar.
