DRESSAGE SEASON OPENER

WRITE UP

14th August 2022

With the end of another season approaching, the committee decided to combine the annual Awards Luncheon with the first event of the new 2022/2023 Season that featured a morning of dressage at the Magenup Equestrian Grounds. A relaxed no fuss event was what the committee had hoped to achieve and it seemed to be a great success with many enjoying the chance to wear their new SPPHAWA merchandise and take advantage of the no plaiting rule.

As a thank you from the association, competitors were offered a heavily reduced entry fee to compete in 2 dressage tests. Prep & Prelim classes were on offer and it was great to see everyone having fun and giving it a go. We had an array of horses and riders competing, some dressage not being their first discipline still showing the versatility of the breed and receiving some lovely encouraging comments back from the judges Jane Bwye & Kerri-Anne Edwards. As this was the first leg of our 4 part dressage series 2022/2023, it was a great starting point for competitors to improve on for the remainder of the dressage series.

With 2 rings running, the event was able to be finished and packed up just before 11am in time for the awards luncheon. Tests and ribbons were awarded to competitors for the morning events and we congratulate everyone for their efforts.

During the running of the mornings events, the club room was transformed with the luncheon offering a smorgasbord of food featuring roast beef & gravy rolls, salads, fruit, cakes and tea/coffee for all to enjoy whilst awards were presented.

Congratulations to all our award winners for the 2021-2022 season, we hope to see you back out for the next season and thank you for your dedication to showcasing this breed.

Even small events like this cannot be run without the help of competitors, members and family who continually offer their help in the setup, pack up and general running we thank you all.
