

The WASBA Standardbred State Championships for 2022 were held over a big two days on the 2<sup>nd</sup> & 3<sup>rd</sup> of April. This event was run in conjunction with the Ramsay's Thoroughbred Championship event being held on the Sunday and in total we had an impressive 73 Standardbreds, Thoroughbreds and Part Bred Thoroughbreds competing. Between a variety of led, dressage, harness and ridden classes, this was a mammoth task to ensure it ran like clockwork.

Our Standardbred major sponsor WASBA (WA Standardbred Breeders Association) had naming rights due to their continued and ongoing sponsorship of this event and the breed. This year they also introduced a new subsidy for all WA Bred Standardbreds and mares which allowed them to receive a generous subsidy towards their entry fees.

On Saturday we had the event officially commence with the Standardbred led and harness classes. The led was judged by Eileen Morris and saw a combination of seasoned horses and handlers, some looking to one up their inhand outfits from last year and bring out something new, whilst others wanted a nice outing for them and their horse. We also saw some past horses re appear onto the scene as well as new faces and horses that have decided to give the showing side of things a go.

The harness classes ran after the led events and were judged by Sandy De La Pair who has experience in this discipline as a very successful competitor in previous years. It was nice to see the versatility of the breed as we had both race carts and a carriage present at the event.

A brisk and chilly early Sunday morning started with gazebos being lifted high again, tables being arranged, coffees being ordered and general important pre start duties being filled. With an 8am start it was all hands on deck to ensure that we were running on time.

The ridden standardbred classes were once again judged under the watchful eye of Eileen Morris and it was great to see horses moving up through the grades and then others being able to show off their experience and produce some lovely workouts. Suzy Jackson presided in ring 2 with a strong contingent of Thoroughbreds and Partbred Thoroughbreds presenting for judging in both Led and Ridden. It was quite a spectacle to see the beautiful setting of the pristine grounds playing host to a large number of OTT horses from both codes.

Our dressage classes on offer were the Prep A & Prelim 1A which was judged by M'Liss Henry and was run on another portion of the oval. This was the final dressage event to our series and we were able to finalise our series winners which will be announced at the end of year awards windup.

Thank you to all our sponsors, judges, helpers, marshalls and photographers who make these events possible.

Please see the other events album for the Thoroughbred Championships Results which was also held in conjunction with this event.
